

PRAYER LIST FOR SAINT DANIEL CHURCH

Our parish has a weekly prayer list of special intentions, which is prominently located at the back of our church. There are two ways to join this prayer list. You can write your special intentions in the book yourself, or you can ask the parish office to write them in the book for you. Either way, all your special intentions are collectively included at every Mass celebrated in our church.

With this prayer list, there is no limit on the number of special intentions that you can enter each day. Through the parish office, you can even schedule special intentions for any day of the year. There are no donations associated with this prayer list, other than your offertory contributions. Our prayer list is one of the ways that we spiritually support each other as a parish community.

May God answer all your prayers, especially those special intentions which you keep in mind as you receive Holy Communion at Mass. If you wish to send someone a card to inform them of your prayers, we can recommend places where such cards are available. We also have a sample prayer note to include with your card. Let us always pray for one another each day!

PRAYER LIST FOR SAINT DANIEL CHURCH

The following special intention has been added to our parish prayer list by someone who cares about you.

This special intention will be silently included with all the other special intentions requested for this Mass.
