

THE HISTORY OF ST. DANIEL THE PROPHET PARISH

St. Daniel the Prophet Parish was established on April 5, 1989, with Father Thomas White as the founding pastor. Father White planned and built all our parish facilities. The church building was dedicated on October 3, 1993, and the mortgage was retired soon thereafter. The parish center building was completed on January 5, 2001. After many years of faithful service to our parish community, Father White retired in 2005.

Father Thomas Sularz became the second pastor of our church in 2005. Father Sularz renovated our church sanctuary, retired the debt on the parish center building, and celebrated the silver anniversary of our parish with Father White. When Father Sularz retired in 2014, Father James Dvorscak became the third pastor of our church.

On July 5, 2014, Father White died, leaving behind a legacy that will be cherished for many generations to come. Wonderful people built this parish! Wonderful people supported this parish! Wonderful people will keep it going! The parish website, StDaniel.org, describes the many ministries, programs, and activities of our parish community. By your active participation in parish life, the wonderful history of our parish community continues to be written!
