

Does Your Child Have a Special Need?

Dear Parents,

In our effort to meet the needs of your child and to offer him/her the best possible faith experience, we gather as much information as possible for your child's catechist. Our catechists are dedicated **VOLUNTEERS** who share their gifts with your children each week; however, they may or may not have experience with children who have a special need. By requesting your input, we are better able to provide the catechists with this helpful information so that every child will be given the opportunity to fully participate in learning with their peers.

If your child has a special need, please complete us with that information by completing this form to us **before** our class begins. All information is confidential between the catechist and the office. If your child does not have a special need please do not complete/return the form.
