

CHRISTLIFE: AN EXPERIENCE, A JOURNEY, A MISSION!

The **CHRISTLIFE** evangelization process is a proven method of igniting the new evangelization by providing a relational context that forms missionary disciples.

CHRISTLIFE helps people to discover Jesus Christ personally, to follow Him in their daily lives as Catholic Christian disciples, and to share Him with others.

Once a person discovers Jesus, begins to follow Him, and learns to share Him, they want to invite more people on a life-changing adventure with Jesus Christ!

The three essential steps to the full **CHRISTLIFE** process are Discovering Christ, Following Christ, and Sharing Christ. Please join us in this spiritual quest!

COME FOR THE EXPERIENCE! DISCOVERING CHRIST is a seven-week experience that invites people to encounter the love of God the Father, enter into or renew a personal relationship with Jesus Christ, and be empowered by the Holy Spirit to live as God's children. We all know people who wonder about the meaning of life. God gives us the responsibility to open doors and provide spaces of encounter with the personal love of our Lord Jesus for people who are searching for the meaning of life. Discovering Christ creates this open door for anyone who is searching for the meaning of their lives and provides an opportunity to share or deepen our appreciation of the Good News and the personal love of Jesus Christ our Savior.

STAY FOR THE JOURNEY! FOLLOWING CHRIST is a seven-week journey that inspires those who have completed Discovering Christ to grow in their relationship with Jesus Christ by learning more fully and growing more deeply in the basic disciplines and truths practiced by Catholic Christians since the early Church. After encountering the personal love of Jesus Christ, people are hungry to dive into their new or renewed relationship with Him in the context of the parish community. Following Christ provides the tools to help Catholic Christians mature in their path of discipleship, including daily personal prayer, hearing God in Scripture, the power of the holy sacraments, forgiving one another, and achieving spiritual victories.

GO FORTH ON A MISSION! SHARING CHRIST is a seven-week mission that equips believers with practical skills to proclaim the Gospel through friendship evangelization, draw others into a personal relationship with Jesus, and invite them to become His disciples as members of the Church. Our faith journey can't stop with encountering the life-changing love of Jesus Christ and growing as His disciples. We are called to share the Good News with others! Evangelization must become the everyday lifestyle for Catholic Christians if the Church is to serve as a vibrant evangelical witness in our culture. Sharing Christ equips us with the practical skills to proclaim the Gospel and invite others into a personal relationship with Christ.
